MESSAGE

It is a matter of common knowledge that lawyers, Judges, law enforcing authorities and the general public find it difficult to have access to up to date local enactments. Even, if they are available, it is difficult to obtain the up to date provisions. One has to laboriously wade through all the complicated amendments in order to get at the correct and relevant provisions, which consumes considerable time and energy.

Codification of laws will facilitate the users to have up to date provisions of the enactments. In that context, the revised edition of Code Volume III brought out by the Law Department is praiseworthy. I place on record my appreciation to their strenuous efforts in this regard.

I am sure that this book will be highly beneficial to all concerned.

CHIEF SECRETARY TO GOVERNMENT

FOREWORD

This volume III of the Puducherry Code is a revised version of a publication made in 1987. On account of amendments which have taken place since then, this updated re-edition is the fulfilment of a felt need. It consists mostly of the Puducherry Municipalities Act and the Puducherry Village and Commune Panchayats Act. It is in fact a local administration Code. For this reason it is an important document.

Everyone is aware that democratic governance at the grass-root level is the foundation for good governance at the national level. That is why, through constitutional amendment of 1992, elaborate provisions were made in respect of autonomy of local bodies. But those provisions are yet to be implemented fully in letter and spirit. This publication is a way in that direction.

But the Acts are in English Language and that too in an old and tough language. It is necessary that the essential provisions of the Acts are brought out in a compendium in Tamil for ready reference by those interested in knowing them. The Local Administration may perhaps join hands with the Law Department to take steps in the preparation of such a compendium.

Pending the publication of such a guide which may take some time to materialise, it is perhaps desirable to conduct an orientation course for the benefit of all concerned. This publication will be useful to those who are entrusted with the responsibility of conducting such a course.

Even otherwise these original full texts are indispensable for reference by high ranking officials and lawyers. They are lucky in the sense that they have now the text easily available and that too made up to date. They should be thankful to the Law Department for the yeomen service rendered by this publication.

It gives me pleasure to felicitate the Librarian Thiru. K. Oumabady for preparing carefully the manuscripts with foot notes indicating the dates of coming into force of the various provisions. I extend also my compliments to Thiru. J.C.P. Mariadassou, the Law secretary who has taken upon himself the enormous task of publishing the updated version of the Puducherry Code.

FORMER JUDGE OF THE MADRAS HIGH COURT

PREFACE

The Puducherry Code as a reference book plays a vital role among the legal fraternity in the Puducherry Administration. The Law Department has brought out the revised edition of the Code Volumes I and II in quick succession. These Volumes contained Acts from 1964 to 1972 with all amendments.

The Law Department in this revised edition of the Puducherry Code Volume III has included only a few Acts enacted during the year 1973, for the reason that the enactments such as the Puducherry Municipalities Act, 1973 and the Puducherry Village and Commune Panchayats Act, 1973 are voluminous in nature. Further, these two pieces of legislations have undergone several amendments over the periods and more particularly with the passage of the 73rd and the 74th Constitutional Amendment Acts. This apart, the inclusion of the statements of objects and reasons for the principal as well as all the amendment Acts have substantially increased the size of this volume. In spite of all odds, this book has been codified with utmost care with the hope and trust that it would be of great help to all sects of this Administration, the Bench, the Bar and the general public.

I wish to acknowledge my sincere appreciation of the onerous task undertaken by Thiru. K. Oumabady, Assistant Library and Information Officer, Law Department and Thiru. N. Rajendiran, Retired Under Secretary (Law), in this regard with exemplary speed and expertise.

1. Short title, extent and commencement.- (1) This Act may be called the Puducherry Municipal Decree (Levy and Validation of Taxes, Duties, Cesses and Fees) Act, 1973.

(2) It extends to the whole of the Union territory of Puducherry.

(3) It shall be deemed to have come into force on the 18th day of January, 1973.

2. Definitions. --- In this Act, unless the context otherwise requires, -

(a) 'Government' means the Administrator of the Union territory of Puducherry appointed by the President under article 239 of the Constitution;

(b) 'municipal commune' means a commune mentioned in article 1 of the Municipal Decree;

(c) 'municipal council' means the body constituted to manage the municipal affairs in a municipal commune;

(d) "Municipal Decree" means the Decree of French Government dated the 12th March, 1880, as amended from time to time.

3. Levy of taxes, etc., for the purpose of Municipal Decree.- Any tax, duty, cess or fee which the Legislature of the Union territory of Puducherry has power to levy may, subject to any general or special order which the Government may make in this behalf, also be levied, assessed and collected for the purposes of the Municipal Decree in accordance with the provisions contained in or made under the Municipal Decree and notwithstanding the provisions of section 7 of the Puducherry (Administration) Act, 1962 (Central Act 49 of 1962), or of any provision of any Act passed by the Legislature of the Union territory of Puducherry, the Municipal Decree shall have, and shall be deemed to have had on and from the 16th day of August, 1962, effect accordingly.

4. Validation of certain taxes, etc., levied, assessed or collected in municipal communes.- Notwithstanding any judgment, decree or order of any court, all taxes, duties, cesses and fees (being taxes, duties, cesses and fees which the Legislature of the Union territory of Puducherry has power to levy) levied, assessed or collected or purporting to have been levied, assessed or collected under the Municipal Decree before the commencement of this Act shall be deemed to have been validly levied,

assessed or collected in accordance with law as if the provisions of section 3 had been in force at all material times when any such tax, duty, cess or fee was levied, assessed or collected; and accordingly,-

(a) all acts, proceedings or things done or taken by the municipal councils or by any other authority, officer or person in connection with the levy, assessment or collection of any such tax, duty, cess, or fee shall, for all purposes, be deemed to be, and to have always been done or taken in accordance with law;

(b) no suit or other proceedings shall be maintained or continued in any court against the municipal councils or any other authority, officer or person whatsoever for the refund of any tax, duty, cess or fee so collected; and

(c) no court shall enforce any decree or order directing the refund of any tax, duty, cess or fee so collected:

Provided that no act or omission on the part of any person shall be punishable as an offence which would not have been so punishable if this Act had not been passed.

5. Repeal and saving. - (1) The Puducherry Municipal Decree (Levy and Validation of Taxes, Duties, Cesses and Fees) Ordinance, 1973, is hereby repealed.

(2) Notwithstanding such repeal, anything done or any action taken under the said Ordinance shall be deemed to have been done or taken under this Act as if this Act was in force on the date on which such thing was done or action taken.

STATEMENT OF OBJECTS AND REASONS FOR ACT 1 OF 1973

Under the Municipal Decree dated 12-3-1880 which continues to be in force by virtue of section 4 of the Puducherry (Administration) Act, 1962 (Act No. 49 of 1962), the municipalities in the Union territory of Puducherry have been levying various taxes, duties, cesses and fees in exercise of the powers conferred on them under article 52 read with article 46 and 47 of the said Municipal Decree.

The High Court at Madras in Writ Petition No. 244 of 1971 (P) held that the Mahe municipal council had no power to provide for the levy of impugned tax and even otherwise, after the Puducherry General Sales Tax Act, 1967 no such powers are available to the municipal council as that subject has been legislated upon by a competent legislature and the municipal council cannot, therefore, invoke the Municipal Decree of 12-3-1880 and impose such a levy. Basically, an identical view was expressed by the High Court in Writ Petition No. 3433 of 1970 (P).

For validating the taxes etc., which have been levied under the Municipal Decree from 16-8-1962 upto now, it is proposed to over-ride section 7 of the Puducherry (Administration) Act, 1962 and to provide expressly that any taxes, duties, cesses and fees which the legislature of the Union territory of Puducherry may levy, may also be levied for the purposes of the Municipal Decree, in accordance with the provisions of the Municipal Decree and to validate the levy, assessment and collection of such taxes, duties, cesses and fees from 16-8-1962 upto now.

This Bill seeks to achieve the above objects.

CHAPTER - II

LIABILITY TO PAY FEE

4. Levy of fee in Courts and Public offices.- No document which is chargeable with fee under this Act shall,-

(i) be filed, exhibited or recorded in, or be acted on or furnished by, any Court including the High Court, or

(ii) be filed, exhibited or recorded in any public office, or be acted on or furnished by any public officer, unless in respect of such document there be paid a fee of an amount not less than that indicated as chargeable under this Act:

Provided that, whenever the filing or exhibition in a Criminal Court of a document in respect of which the proper fee has not been paid is in the opinion of the Court necessary to prevent a failure of justice, nothing contained in this section shall be deemed to prohibit such filing or exhibition.

5. Fees on documents inadvertently received. - When a document on which the whole or any part of the fee prescribed by this Act has not been paid is produced or has, through mistake or inadvertence, been received in any Court or public office, the Court or the head of the office may, in its, or at his, discretion at any time, allow the person by whom such fee is payable, to pay the fee or part thereof, as the case may be, within such time as may be fixed; and upon such payment, the document shall have the same force and effect as if the full fee had been paid in the first instance.

6. Multifarious suits. - (1) In any suit in which separate and distinct reliefs are sought based on the same cause of action, the plaint shall be chargeable with a fee on the aggregate value of the reliefs:

Provided that, if a relief is sought only as ancillary to the main relief, the plaint shall be chargeable only on the value of the main relief.

(2) Where more reliefs than one based on the same cause of action are sought in the alternative in any suit, the plaintiff shall be chargeable with the highest of the fees leviable on the reliefs.

(3) Where a suit embraces two or more distinct and different causes of action and separate reliefs based on them are sought, either alternatively or cumulatively, the plaintiff shall be chargeable with the aggregate amount of the fees with which plaintiffs would be chargeable under this Act if separate suits were instituted in respect of the several causes of action:

Provided that, where the causes of action in respect of reliefs claimed alternatively against the same person arise out of the same transaction, the plaintiff shall be chargeable only with the highest of the fees chargeable on them:

Provided further that nothing in this sub-section shall be deemed to affect any power conferred upon a Court under rule 6 of Order II of the Code of Civil Procedure, 1908 (Central Act 5 of 1908).

(4) The provisions of this section shall apply *mutatis mutandis* to memoranda of appeals, applications, petitions and written statements.

Explanation. --- For the purpose of this section, a suit for possession of immovable property and for mesne profits shall be deemed to be based on the same cause of action.

7. Determination of market value. – (1) Save as otherwise provided, where the fee payable under this Act depends on the market value of any property, such value shall be determined as on the date of presentation of the plaintiff.

(2) The market value of land in suits falling under section 25(a), 25(b), 27(a), 29, 30, 37(1), 37(3), 38, 45 or 48 shall be deemed to be ---

(a) where the land is assessed, thirty times the survey assessment on the land:

Provided that, where the land forms part of a survey field and is not separately assessed to revenue, the value of such part shall be deemed to be thirty times such proportion of the survey assessment as the part bears to the entire survey field.

(b) where the land is a house-site whether assessed to full revenue or not, poramboke land, or any other land not falling under clause (a),- its market value.

8. Set off or counter-claim. - A written statement pleading a set off or counter-claim shall be chargeable with fee in the same manner as a plaintiff.

9. Documents falling under two or more descriptions. - Subject to the provisions of sections 4 to 8, a document falling within two or more descriptions in this Act shall, where the fees chargeable thereunder are different, be chargeable only with the highest of such fees:

Provided that, where one of such descriptions is special and another general, the fee chargeable shall be the fee appropriate to the special description.

CHAPTER - III DETERMINATION OF FEE

10. Statement of particulars of subject-matter of suit and plaintiff's valuation thereof. - In every suit in which the fee payable under this Act on the plaint depends on the market value of the subject-matter of the suit, the plaintiff shall file with the plaint, a statement in the prescribed form, of particulars of the subject-matter of the suit and his valuation thereof unless such particulars and the valuation are contained in the plaint.

11. Decision as to proper fee in other Courts. - (1) In every suit instituted in any Court other than the High Court, the Court shall, before ordering the plaint to be registered, decide on the materials and allegations contained in the plaint and on the materials contained in the statement, if any, filed under section 10, the proper fee payable thereon, the decision being however subject to review, further review and correction in the manner hereinafter specified in this section.

(2) Any defendant may, by his written statement filed before the first hearing of the suit or before evidence is recorded on the merits of the claim, but, subject to sub-section (3) not later, plead that the subject-matter of the suit has not been properly valued or that the fee paid is not sufficient. All questions arising on such pleas shall be heard and decided before evidence is recorded affecting such defendant, on the merits of the claim. If the Court decides that the subject-matter of the suit has not been properly valued or that the fee paid is not sufficient, the Court shall fix a date before which the plaint shall be amended in accordance with the Court's decision and the deficit fee shall be paid. If the plaint be not amended or if the deficit fee be not paid within the time allowed, the plaint shall be rejected and the Court shall pass such order as it deems just regarding costs of the suit.

(3) A defendant added after issues have been framed on the merits of claim may, in the written statement filed by him plead that the subject-matter of the suit has not been properly valued or that the fee paid is not sufficient. All questions arising on such pleas shall be heard and decided before evidence is recorded affecting such defendant, on the merits of the claim, and if the Court finds that the subject-matter of the suit has not been properly valued or that the fee paid is not sufficient, the Court shall follow the procedure laid down in sub-section (2).

Explanation. --- Nothing in this sub-section shall apply to a defendant added as a successor or a representative in interest of a dependant who was on record before issues were framed on the merits of the claim and who had an opportunity to file a written statement pleading that the subject-matter of the suit was not properly valued or that the fee paid was not sufficient.

(4) (a) Whenever a case comes up before a Court of appeal, it shall be lawful for the Court, either of its own motion or on the application of any of the parties, to consider the correctness of any order passed by the lower Court affecting the fee payable on the plaint or in any other proceedings in the lower Court and determine the proper fee payable thereon.

Explanation. --- A case shall be deemed to come before a Court of appeal even if the appeal relates only to a part of the subject-matter of the suit.

(b) If the Court of appeal decides that the fee paid in the lower Court is not sufficient, the Court shall require the party liable to pay the deficit fee within such time as may be fixed by it.

(c) If the deficit fee is not paid within the time fixed and the default is in respect of a relief which has been dismissed by the lower Court and which the appellant seeks in appeal, the appeal shall be dismissed, but if the default is in respect of a relief which has been decreed by the lower Court, the deficit fee shall be recoverable as if it were an arrear of land revenue.

(d) If the fee paid in the lower Court is in excess, the Court shall direct the refund of the excess to the party who is entitled to it.

(5) All questions as to value for the purpose of determining the jurisdiction of Courts arising on the written statement of a defendant shall be heard and decided before evidence is recorded affecting such defendant, on the merits of the claim.

Explanation.- In this section, the expression "merits of the claim" refers to matters which arise for determination in the suit, not being matters relating to the frame of the suit, mis-joinder of parties and causes of action, the jurisdiction of the Court to entertain or try the suit or the fee payable but inclusive of matters arising on pleas of *res judicata*, limitation and the like.

12. Additional fee on issues framed. - Where a party becomes liable to pay additional fee by reason of an issue framed in the suit, the provisions of section 11 shall apply to the determination and levy of such additional fee subject to the modification that where the party liable does not pay such additional fee within the time allowed, the Court shall strike off the issue and proceed to hear and decide the other issues in the case.

13. Relinquishment of portion of claim. - A plaintiff who has been called upon to pay additional fee may relinquish a part of his claim and apply to have the plaint amended so that the fee paid would be adequate for the claim made in the plaint as amended. The Court shall allow such application on such terms as it considers just and shall proceed to hear and decide the claim made in the plaint as amended:

Provided that the plaintiff shall not be permitted at any later stage of the suit to add to the claim the part so relinquished.

14. Fee payable on written statements. - Where fee is payable under this Act on a written statement filed by a defendant, the provisions of section 11 shall apply to the determination and levy of the fee payable on such written statement, the defendant

concerned being regarded for the said purpose as the plaintiff and the plaintiff or the co-defendant or the third party against whom the claim is made being regarded as the defendant.

15. Fee payable on appeals, etc. - The provisions of sections 10 to 13 relating to the determination and levy of fee on plaints in suits shall apply *mutatis mutandis* to the determination and levy of fee in respect of a memorandum of appeal, cross-objection or other proceedings in second appeal or in an appeal under the Letters Patent.

16. Fee payable on petitions, applications, etc. - The provisions of sections 10 to 13 shall apply *mutatis mutandis* to the determination and levy of fee in respect of petitions, applications and other proceedings in Courts in the same way as they apply to the determination and levy of fee on plaints in suits.

17. Court-fee Examiners. - (1) The High Court may depute officers to be designated Court-fee Examiners to inspect the records of subordinate Courts with a view to examine the correctness of representations made to, and orders passed by, Courts on questions relating to valuation of subject-matter and sufficiency of fee in respect of proceedings in such Courts.

(2) Questions raised in the reports submitted by such Court-fee Examiners and relating to any suit, appeal or other proceeding pending in a Court shall be heard and decided by such Court; and for the avoidance of doubt, it is hereby declared that in hearing and deciding a question raised in any such report, it shall be lawful for the Court to review an earlier decision given by the Court on the same question.

18. Inquiry and commission. - For the purpose of deciding whether the subject-matter of a suit or other proceeding has been properly valued or whether the fee paid is sufficient, the Court may hold such inquiry as it considers proper and may, if it thinks fit, issue a commission to any proper person directing him to make such local or other investigation as may be necessary and to report thereon to the Court.

19. Notice to the Government. - In any inquiry relating to the fee payable on a plaint, written statement, petition, memorandum of appeal or other document, or to the valuation of the subject-matter of the claim to which the plaint, written statement, petition, memorandum of appeal or other document relates, in so far as such valuation affects the fee payable, the Court may, if it considers it just or necessary to do so, give notice to the Government; and where such notice is given, the Government shall be deemed to be a party to the suit or other proceeding as respects the determination of the question or questions, aforesaid; and the Court's decision on such question or questions shall when it passes a decree or final order in such suit or proceeding, be deemed to form part of such decree or final order.

CHAPTER - IV

COMPUTATION OF FEE

20. **Fee how reckoned.** - The fee payable under this Act shall be determined or computed in accordance with the provisions of this Chapter, Chapter VII and Schedules I and II.

21. **Fees to be computed to the nearest multiple of five paise.** - In the determination and computation of the amount of fee payable under this Act, any fraction of five paise less than two and a half paise shall be disregarded and any fraction of five paise equal to, or exceeding, two and a half paise shall be regarded as five paise.

22. **Suits for money.** - In a suit for money (including a suit for damages or compensation, or arrears of maintenance, of annuities, or of other sums payable periodically), fee shall be computed on the amount claimed.

23. **Suits for maintenance and annuities.** - In the suits hereinafter mentioned, fee shall be computed as follows: ---

(a) in a suit for maintenance, on the amount claimed to be payable for one year;

(b) in a suit for enhancement or reduction of maintenance, on the amount by which the annual maintenance is sought to be enhanced or reduced;

(c) in a suit for annuities or other sums payable periodically, on five times the amount claimed to be payable for one year:

Provided that, where the annuity is payable for less than five years, the fee shall be computed on the aggregate of the sums payable:

Provided further that a suit for enhancement of maintenance shall be instituted in a Court which will have jurisdiction to receive a suit for maintenance at the enhanced rate claimed and one for reduction of maintenance shall be instituted in a Court which will have jurisdiction to receive a suit for maintenance at the rate which is sought to be reduced.

24. **Suits for movable property.** - (1) In a suit for movable property other than documents of title, fee shall be computed.-

(a) where the subject-matter has a market value, on such value; or

(b) where the subject-matter has no market value, on the amount at which the relief sought is valued in the plaint.

(2) (a) In a suit for possession of documents of title, fee shall be computed on one-fourth of the amount or of the market value of the property secured by the document.-

- (i) where the plaint alleges denial of the plaintiff's title to the money or the property secured by the document, or
- (ii) where an issue is framed regarding the plaintiff's title to the money or the property secured by the document:

Provided that where the allegation in the plaint or the issue framed relates only to a portion of the amount or property, fee shall be computed on one-fourth of such portion of the amount or on one-fourth of the market value of such portion of the property.

STATEMENT OF OBJECTS AND REASONS

The Court Fees Act, 1870 (Central Act 7 of 1870) as in force in the Union territory of Andaman and Nicobar islands came into force in this Union territory on 18th December, 1968.

Representations have been received since then both inside and outside the Legislature for its replacement by a new legislation on the model of the Tamil Nadu Court Fees and Suits Valuation Act, 1955 (Tamil Nadu Act XIV of 1955) on the ground that the rates of court fees payable specially with reference to small amounts under the Act as extended to this Union territory are greater than the rates of court fees prevailing in the neighboring State of Tamil Nadu.

In the Tamil Nadu Act, the rates of court fees on money suits are uniformly 7 ½ %, whereas the Act as in force in this Union territory provides for a slab, by which the rates get reduced as the money value increases. Consequently, when compared to the fees payable under the Tamil Nadu Act, the fees payable under the present Act are lower upto ₹ 10,000 and higher beyond this level. This is not in keeping with the present policy of the introduction of the socialistic pattern of society. Leaving this apart, taking the overall picture into account, the adoption of the fees in the Bill will argument our revenue by about 20 to 25%. It has, therefore, been decided to enact a new legislation on the model of the Tamil Nadu Court Fees and Suits Valuation Act, 1955.

The Bill seeks to achieve the above objects.

STATEMENT OF OBJECTS AND REASONS FOR ACT NO. 7 OF 1973

The Cooperative Societies in this Union territory are governed by the Puducherry Co-operative Societies Act, 1965 which was enacted on the lines of the Madras Cooperative Societies Act, 1961. When the Bill was sent to the Government of India for obtaining the assent of the President, they made various useful suggestions on some of the provisions. These suggestions were worth considering. Since then, the Cooperative movement received increasing attention and fresh impetus and its expansion was greatly accelerated, thereby creating many difficult problems, the more important being reorganization of agricultural credit societies, mobilization of resources within the movement, effectiveness of the cooperative legislation for ensuring active participation of members, prevention of excessive influence by particular individuals in affairs of societies, extension of special aids to weaker sections of the community, arrangements for quick and efficient audit and steps to improve the managerial efficiency of the cooperatives. The Tamil Nadu Government appointed a Committee under the Chairmanship of Thiru K. Santhanam in February 1968 to study the working of the movement and formulate proposals for improving its efficiency and performance. The report submitted by the above committee contained a number of recommendations concerning amendment of the existing Act, most of which were found to be acceptable and could be given effect to in this Union Territory also with such modification as are necessary to suit local conditions.

The Conference of Chief Ministers and State Ministers of Cooperation held at Madras on 12.6.1968 urged legislative measures to curb the growth of vested interests in cooperatives, consolidation of the movement through revitalization programme, orientation of loaning policy to serve the small farmer and weaker sections, simplification of procedure for liquidation of bogus societies etc. The Government of India made numerous suggestions in this regard the implementation of which involve further amendments to the existing legislation on cooperation.

The Cooperative Banks in this Union Territory are at present outside the purview of the Deposit insurance Scheme the benefits of which will accrue to the Cooperative Banks only after necessary amendments suggested by the Reserve Bank of India are made in the state Cooperative Societies Acts, so as to enable the Reserve Bank to exercise powers of supervision; reconstitution and liquidation of Cooperative Banks.

The Land Mortgage Bank in Puducherry at present governed by a separate legislation viz. the Madras Cooperative Land Mortgage Bank Act, 1934 as extended to Puducherry. The Tamil Nadu Government had since carried out a number of amendments to this Act. It was at first felt that a fresh legislation should be enacted to regulate the working of the Land Mortgage Banks in Puducherry. However it was subsequently considered that a separate legislation was not necessary and that it would be sufficient if a chapter was separately included in the existing Puducherry Cooperative Societies Act in the place of Farming Societies. This is also in consonance with the suggestion of the Santhanam Committee in Cooperation.

The progress made in giving effect to the various progressive measures suggested by the Government of India was once again reviewed by the conference of State Ministers of Cooperation held at Bangalore in June 1969. With a view to expediting the implementation of the recommendations of the conference, it has been decided to bring forward amendments to the existing Act on the pattern of the legislation already enacted by the Kerala Government to give effect to the recommendations.

As the Implementation of all the above proposals would involve framing of numerous amendments which would materially affect the scope and content of the Puducherry Cooperative Societies Act, 1965, it is considered desirable to bring forward a new legislation altogether to replace the existing Act.

Hence this Bill.

STATEMENT OF OBJECTS AND REASONS FOR ACT NO.7 OF 1988

According to sub-section (9) of section 2 of the Puducherry Co-operative Societies Act, 1972, the expression, the Co-operative Year has been defined to mean the period commencing on the 1st day of July of any year and ending with the 30th day of June of the succeeding year. With a view to synchronize the Co-operative Year with the accounting year followed for tax purposes, it is proposed to adopt the financial year i.e. the period between 1st day of April and 31st day of March as the Co-operative Year. It is proposed to amend the clause (9) of section 2 of the Puducherry Co-operative Societies Act, 1972 for this purpose. With a view to facilitate transition from the existing Co-operative Year to the proposed Co-operative Year, it is proposed to extend the period of Co-operative commencing on the 1st day of July immediately preceding the commencement of the proposed amendment till the 31st day of March of the succeeding year after such commencement.

The Bill seeks to achieve the above objects.

STATEMENT OF OBJECTS AND REASONS FOR ACT NO. 9 OF 2010

Request have been received from different quarters, including from the past and present members of the Puducherry Legislative Assembly and from various associations of scheduled castes, for providing reservation of seats for the scheduled castes in the committee of management of Co-operative Societies.

The Puducherry Co-operative Societies Act, 1972 has not provided for reservation of seats for the scheduled castes in the committee of Co-operative Societies.

In view of the above, it is proposed to provide one seat for the members of the scheduled castes in the committee of registered Primary Co-operative Societies which has a membership of not more than nine members and two seats in a committee having a membership exceeding nine members, by way of amending sub-section (3) of section 32 of the said Act. Further, it is also proposed to increase the minimum and maximum number of members of the Committee of the Primary Co-operative Societies by one, so that the existing structure is not affected.

The salient features of the proposal are.-

(i) the committee of management of Primary Co-operative Societies, other than a society which is formed exclusively for the benefit of the students or the fishermen or members belonging to the scheduled castes, shall provide for seats for members of the scheduled castes in such committee as above; and

(ii) if such member from scheduled castes is not elected to the committee, the committee shall co-opt the members of the scheduled castes from the members of the society to the membership of the committee. Thus, representation of scheduled caste members in the committee is ensured.

The Bill seeks to achieve the above objects.

STATEMENT OF OBJECTS AND REASONS FOR ACT NO.9 OF 1973

The ex-French Decree, dated 12th March, 1880 relating to municipalities which continues to be in force provides for a unitary structure of municipal administration for the urban as well as for the rural areas with the commune forming the basic unit of local self-Government. Ever since the *de jure* transfer took place, the question of bringing the municipal administration in the territory at par with the administration of such similar bodies elsewhere in the country has been under the consideration of the Government. There were also number of administrative and legal difficulties in the matter of levy and recovery of municipal taxes, removal of encroachment of municipal lands and execution of various developmental schemes requiring people's participation. In view of these considerations, it has become expedient to enact a legislation for the establishment of municipalities in this territory on the same lines as are obtaining in the rest of the country. The present Bill seeks to enact such a law.

The Notes on Clauses explain the provisions contained in the Bill.

NOTES ON CLAUSES

Chapter I (clauses 1 and 2). – This Chapter contains provisions relating to the commencement of the contemplated Bill and the definitions. The Bill when enacted will come into force in such area on such date as the Government may notify. Provision has also been made to bring into force various provisions of the Bill on different dates as may be found expedient to Government.

Chapter II (clauses 3, 4 and 5). – This Chapter deals with the constitution and abolition of municipalities. Provision has been made for empowering the Government to notify any local area to be a municipality after publishing a proclamation of its intention to do so and inviting objections from any resident or tax payer of the local area to such proposal and considering them.

Chapter III (clauses 6 to 14). – This Chapter relates to Constitution or appointment of municipal authorities. Municipality with a population of more than 1.00 lakh is proposed to be declared as Selection Grade, those with a population of more than 50,000 but not more than 1.00 lakh is proposed to be declared as First Grade, those with a population of more than 10,000 but not more than 50,000 is proposed to be declared as Second Grade, and others with population of 10,000 and below are proposed to be classified as Third Grade.

Each municipality will have a municipal council, a Chairman, Vice-Chairman and a Commissioner for transacting the business of the municipality. The minimum number of councillors will be 30 and the maximum number will be 36 in the selection grade municipality, 15 and 20 respectively in the case of first grade municipality, 10 and 15 respectively in the case of second grade municipality and the

+ Clause 7 dealing with classification of municipalities etc., has been substituted by Act 4 of 1994, section 5, w.e.f 22.4.1994.

number of councillors in the case of third grade municipality will be 10. Seats are also reserved for members of Scheduled Castes and the number of seats so reserved will bear the same proportion to the total number of seats of the municipal council, as the population of Scheduled Castes bears to the total population in the municipality. All the councillors of every municipality will be elected and the normal term of office of the councillors is 5 years.

It is also proposed to lay down that no councillor can be elected as Chairman of the municipal council unless he has attained the age of 25 years; besides, provision has been made to the effect that the municipal council should elect a Chairman within 30 days after the ordinary election to the council or within such further time as the Government may allow and even within this period no Chairman is elected, the Government will appoint one of the member of the council as Chairman until a new Chairman is elected by the council.

Chapter IV (clauses 15 to 66). – This Chapter deals with the election of councillors and other related matters. The provisions relating to election of councillors follow closely the corresponding provisions in the Puducherry Municipal Councils (Elections) Act, 1966 (Act 1 of 1966) and also reflect many changes made in the Representation of People Act, 1951 (43 of 1951) till date. Special mention may be made of the clause 48 of the Bill which provides that no election held under this Bill when enacted will be called in question except by an election petition presented to the Election Tribunal duly constituted for the purpose. It has also been provided that an appeal from an order passed by the Election Tribunal will lie to the High Court. STATEMENT OF OBJECTS AND REASONS FOR ACT NO. 15 OF 1981

The Government have recently taken a policy decision to reserve not exceeding twenty per cent of the seats for the Scheduled Castes of which one-fourth of seats for women members of the Scheduled Castes, and not exceeding fifteen per cent of seats for women in the election to Municipal Councils. It has therefore been proposed to amend section 9 of the Puducherry Municipalities Act, 1973.

2. The Bill seeks to achieve the above object.

+ Schedule - I was omitted by Act 4 of 1994, section 5, w.e.f 22.4.1994. Power to notify for the proper of sub-section (1) of section was conferred on the Government.

STATEMENT OF OBJECTS AND REASONS FOR ACT NO. 3 OF 1988

Section 158 of the Puducherry Municipalities Act, 1973 (Puducherry Act No. 9 of 1973) provides that a duty on transfer of property shall be levied in the form of a surcharge on the duty imposed by the Indian Stamp Act, 1899 on every instrument of the description specified in Schedule VIII to the said Act and that the surcharge on the duty shall be levied on the amount specified in that Schedule. As per the Schedule the amount on which the duty shall be levied is the amount or value of consideration as set forth in the instrument.

The surcharge on stamp duty is collected only on the face value of the document and not on the actual market value of the property, while stamp duty is collected on the market value. This results in loss of revenue to the Municipalities as there is a tendency to understate the consideration less than the market value. In order to remedy this, it is necessary to amend the VIII Schedule to the Puducherry Municipalities Act, 1973 so that the surcharge shall be levied on the market value of the property.

The Bill seeks to achieve the above object.

STATEMENT OF OBJECTS AND REASONS FOR ACT NO. 4 OF 1994

The Constitution (Seventy-fourth Amendment) Act, 1992 was passed by the Parliament. This brings amendments in the Constitution of India by inserting a separate chapter relating to Municipalities.

2. The Constitution amendment provides for clear and unambiguous relationship between the State and the Municipalities and paves way for the development of Local Bodies.

3. It is also mandatory to incorporate these amendments in the Puducherry Municipalities Act, 1973. Accordingly, the Puducherry Municipalities (Amendment) Bill, 1994 has been prepared incorporating all the provisions of the Constitutional Amendments which are necessary.

4. The Bill ensures timely elections to Local Bodies and provides for stabilisation of the finances of the Local Bodies, reservation of seats for Scheduled Castes, Women, Backward Class, reservation of Chairpersons, devolution of powers upon the Municipalities, sharing of taxes between State and Municipalities.

5. The Bill seeks to achieve the aforesaid objects.

—————

STATEMENT OF OBJECTS AND REASONS FOR ACT NO. 3 OF 1996

At present the election of chairperson for Municipalities is by and from amongst the elected councillors. In order to get the chairperson directly elected by the voters, section 12 of the Puducherry Municipalities Act, 1973 has been substituted by new sections 12, 12-A to 12-C. Relevant provision for cessation of Office of Chairman/Vice-Chairman have also been included in section 12-C. Provisions for resignation of Chairman and Vice-Chairman have been substituted as section 97. Power of Government to remove Chairman/Vice-Chairman has also been amended and substituted as section 108 and 108-A.

2. Further, the system of allotment of reserved seats is at present, by drawal of lots. By amending sub-section (5) of section 9, this system of drawal of lots has been removed as it may give rise to certain difficult situations. A more viable measure has been provided for.

3 . The Bill seeks to achieve the above objects.

STATEMENT OF OBJECTS AND REASONS FOR ACT NO.9 OF 1999

Due to the advent of television exhibition, cinema theatres are becoming sick. In order to ameliorate the difficulties being faced by theatre owners, it has been decided to reduce the existing minimum rate of entertainment tax from forty-five per cent. to thirty-five per cent. Where the payment for admission inclusive of entertainment tax is more than one rupee and fifty paise.

2. Further, it order to augment the revenue of municipalities and to compensate the loss of revenue due to the proposed reduction of entertainment tax on cinematographic exhibition, it has been decided to levy entertainment tax at the rate of ten per cent of the amount collected by way of contribution or subscription or installation or connection charges or any other charges collected in any manner whatsoever, on television exhibition which has been hitherto going scout free. It is also proposed that this tax shall not be passed on to the subscribers.

3. It is, therefore, proposed to amend the Puducherry Municipalities Act, 1973 by way of a Bill to provide for levy of entertainment tax on television exhibition and for reduction of entertainment tax on cinematographic exhibition.

4. The Bill seeks to achieve the above objects.

—

STATEMENT OF OBJECTS AND REASONS FOR ACT NO.11 OF 1999

As per the existing provisions of the Puducherry Municipalities Act, 1973, appeals against any claim for taxes and other dues have to be preferred only in the civil court. The revisional powers are also vested with the civil court. The litigation is normally time-consuming and hence causes inconvenience to the tax payers and municipalities.

It has therefore been decided to constitute a Taxation Appeals Committee with the Chairman of the Municipal Council as the Chairperson of the Committee and two Councillors duly elected by the Municipal Council as Members of the Committee. In the absence of duly elected Municipal Council, the Special Officer of the Municipality shall be the Chairperson of the Committee and the Executive Engineer of Public Works Department who is in-charge of execution of building works and the Deputy Collector of the Revenue Department of the respective region shall be its members. Further, the revisional powers shall be vested with the Government. It has been further decided to exclude the jurisdiction and pending proceedings in the civil courts in respect of any suit or proceedings in the nature of claim of tax or other dues payable to municipalities.

The Bill seeks to achieve the above objects.

STATEMENT OF OBJECTS AND REASONS FOR ACT NO.9 OF 2001

For the purpose of preventing personation of electors in the elections to local bodies it is proposed to introduce special procedure for preventing personation of electors by use of identity cards.

Technology has made very rapid strides thereby favourably affecting several fields for human activity and leading to betterment all round. It was felt that appropriate modern electronic processes should be deployed, side by side, with the existing conventional systems in the voting process. Suitable amendments were therefore made in the Representation of the People Act, 1951 in order to facilitate use of electronic voting machines. The procedure relating to use of identity cards and electronic voting machines are proposed to be introduced in the elections to local bodies also.

In order to facilitate the use of identity cards and electronic voting machines in the elections to local bodies it is proposed to amend the provisions of the Puducherry Municipalities Act, 1973 by inserting new sections 64-A and 64-B and by amending section 65 for the above purpose.

The Bill seeks to achieve the above objects.

STATEMENT OF OBJECTS AND REASONS FOR ACT NO.9 OF 2002

At present, there are certain places in this Union territory which attract people during certain periods in the year as being places of pilgrimage/tourist resort. During these periods, the concerned Municipalities under whose jurisdiction such places of pilgrimage/tourist resort exist are hard pressed in so far as providing the requisite amenities and rendering services to meet the demands of the mass inflow of pilgrims/tourists. This apart additional staff are required during such periods for providing such amenities/rendering services as it is not possible to cater to the needs of the pilgrims/tourists with the existing staff. The Municipalities are therefore facing a financial strain during such periods. With a view to augment funds for providing better amenities and rendering services to the pilgrims/tourists and also with a view to avoid a drain on the financial resources of the Municipalities, it is proposed to levy a charge on every motor vehicle entering a place of pilgrimage/tourist resort in this Union territory as so notified as is being done in the neighbouring State of Tamil Nadu, by amending the Puducherry Municipalities Act, 1973, suitably.

The Bill seeks to achieve the above objects.

STATEMENT OF OBJECTS AND REASONS FOR ACT NO.10 OF 2004

Section 163 of the Puducherry Municipalities Act, 1973 provides for composition and consolidated payment of tax payable in respect of entertainment covered under section 161. It is proposed to make applicable the aforesaid provision to the entertainment tax on cable television exhibition provided under section 161A of the said Act. It is therefore proposed to amend section 163 of the Act suitably for the said purpose.

Section 161 of the said Act provides for imposition of entertainment tax for admission to any entertainment at the rates the maximum and minimum whereof are specified in Schedule-V thereof. At present the minimum rate of tax has been fixed at seven twentieths (35%) on the payment of admission inclusive of the amount of entertainment tax. However, the Puducherry Cinema Exhibitors Association had been requesting this Administration to reduce the rate of tax to one-fourth (25%) so as to bring it on par with the rate prevailing in the neighbouring State of Tamil Nadu. Since it has been proposed to reduce the tax as projected above it has become necessary to amend Schedule-V of the Act and for this purpose the Puducherry Municipalities (Amendment) Bill, 2004 is proposed to be enacted.

The Bill seeks to achieve the above objects.

STATEMENT OF OBJECTS AND REASONS FOR ACT NO.6 OF 2005

Consequent on an assurance given on the Floor of the House, a Committee was constituted to study the problems and suggest a methodology for assessment of property tax under the Puducherry Municipalities Act, 1973. The Committee has since then submitted its recommendations in this behalf. One of the recommendations of the Committee is that the percentage of allowance for maintenance of buildings presently fixed at 10% of the computed annual rental value shall be enhanced to 15%. Sub-section (2) of section 123 provides for the deduction of 10% of that portion of such annual rent which is attributable to the buildings alone, apart from their sites and adjacent lands occupied as appurtenances thereto and the said deduction shall be *in lieu* of all allowances for repairs, etc. Therefore, for the purpose of enhancement of the deduction from 10% to 15%, sub-section (2) of section 123 is proposed to be amended suitably.

The Bill seeks to achieve the above object.

STATEMENT OF OBJECTS AND REASONS FOR ACT NO. 1 OF 2007

In the Puducherry Municipalities Act, 1973, 16 functions of Municipalities have been prescribed while enacting the Act, in 1973.

But, in the Constitution (74th Amendment) Act, 1992, 18 subject matters, as listed in the Twelfth Schedule to the Constitution, have been prescribed as the functions of Municipalities.

Article 243W of the Constitution requires the State Legislature by law to endow the Municipalities with such powers and authority as may be necessary to enable them to function as institutions of self-governance with regard to matters listed in the Twelfth Schedule to the Constitution.

The following functions/subject matters, which find place in the Twelfth Schedule to the Constitution do not find place in the Puducherry Municipalities Act, 1973.-

- (i) Urban planning, including town planning.
- (ii) Urban poverty alleviation.

Further, the functions, which are already existing in the Puducherry Municipalities Act, 1973, are not in exact terms of the matters listed in the Twelfth Schedule to the Constitution but in terms of actual civic functions.

Therefore, it is considered necessary to incorporate the list of 18 subject matters, listed in the Twelfth Schedule to the Constitution, in the Puducherry Municipalities Act, 1973, under a separate Schedule, namely, Schedule-XIV, in accordance with the provisions contained in the Constitution (74th Amendment) Act, 1992 and to provide for enabling the Government to entrust to a Municipality with such powers, authority, *etc.*, as may be necessary to enable it to carryout its responsibilities conferred upon it including those in relation to the matters included in Schedule-XIV, by bringing necessary amendment to the Puducherry Municipalities Act, 1973.

The Bill seeks to achieve the above objectives.

STATEMENT OF OBJECTS AND REASONS FOR ACT NO. 1 OF 2011

The Ministry of Urban Development, Government of India has launched a Centrally Sponsored Mission/Scheme, *viz.*, Jawaharlal Nehru National Urban Renewal Mission (JNNURM) in December, 2005 with a view to provide reforms driven, fast track and planned development in 63 identified cities in the country with a focus on efficiency in urban infrastructure/service delivery mechanism and accountability of urban local bodies to the citizens during the Mission period 2005-2012.

2. Puducherry is one among the 63 cities which have been identified under the said Mission for availing of financial assistance under a Sub-Mission/Scheme *viz.*, Provision of Urban Infrastructure and Governance. Therefore, the two municipalities, *viz.*, the Puducherry Municipality and Oulgaret Municipality are eligible to get central assistance under the said scheme. The Non-Mission Cities, namely, Karaikal, Mahe and Yanam are also eligible to avail of the Central Assistance under the Sub-Mission *viz.*, Urban Infrastructure Development Scheme for Small and Medium Towns.

3. In order to avail of the financial assistance from the Government of India under the said Mission, a Memorandum of Agreement was signed by the Government of Puducherry with the Ministry of Urban Development on 31-12-2007 to bring in 23 reforms in urban governance within a time frame. One of the optional reforms to be brought in at the State level is to enact Public Disclosure Law with the object of publishing information on functioning of urban local bodies on a periodical basis.

4. Therefore, it is considered necessary to bring an amendment to the Puducherry Municipalities Act, 1973 to disclose the functioning of municipalities to the public so as to ensure transparency and accountability in the administration of municipalities.

5. The Bill seeks to achieve above objects.

STATEMENT OF OBJECTS AND REASONS FOR ACT NO.10 OF 1973

The ex-French Decree, dated 12th March, 1880 relating to municipalities which continues to be in force, provides for a unitary structure of municipal administration for the urban as well as for the rural areas, with the commune forming the basis unit of local self-Government. Ever since the *de jure* transfer took place, the question of introduction of panchayat raj in the rural areas of the territory with a view to securing compliance with the constitutional directive to organise village panchayats and endow them with such powers and authority as may be necessary to enable them to function as units of self-Government has been under the consideration of the Government. There were also number of administrative difficulties at the grass root-level in the execution of various developmental schemes requiring people's participation, as the existing municipal set-up in rural areas is not attuned to the tasks of mobilising local resources for progressive development of services, works and other facilities.

In view of these considerations, it has become expedient to enact a legislation for the implementation of panchayat raj in this territory on the same lines as are obtaining in the rest of the country with suitable modifications as well as inclusion of certain good features in the existing commune set-up to suit local conditions. The present Bill seeks to enact such a law.

The Notes on Clauses explain the provisions contained in the Bill.

NOTES ON CLAUSES

Clauses 1 and 2. – These clauses contain provisions relating to the commencement of contemplated Bill and definitions. The Bill when enacted will come into force in such area as the Government may notify. Provision has also been made to bring into force various provisions of this Act on different dates as may be found expedient to Government.

Clauses 3 to 9. – These clauses deal with the formation of panchayat village and commune panchayat. Provision has been made, empowering the Director to classify and declare by notification every local area comprising revenue village or village or any portion thereof with a population of not less than 300 as panchayat village, after inviting objections from the resident or tax payer of the local area to such proposal and considering them. Provision has also been made, empowering the Government to constitute a commune panchayat for a local area comprising such number of panchayat villages as it may think fit. The Director has also been empowered to notify the total number of members of a village panchayat. Each village panchayat will have a President and Vice-President and each commune panchayat council will have a Chairman, Vice-Chairman and a Commissioner for transacting the business of the commune panchayat council. The commune panchayat council shall consist of the Presidents of all village panchayats in the commune panchayat.

Clauses 10 to 39. – These clauses deal with the election of members and other related matters. Seats are reserved for the members of Scheduled Castes with due regard to their population in the panchayat village. Provision has also been made to co-opt one woman, if there is no elected woman in the village panchayat. The term of office of the members of every village panchayat is 5 years. The provisions relating to election of members follow closely the corresponding provisions in the Puducherry Municipal Council (Elections) Act, 1966 (Act 1 of 1966) and also reflect many changes made in the Representation of People Act, 1951 (43 of 1951) till date. Provision has also been made to prepare and publish electoral roll for any village panchayat.

Clauses 40 to 47. – Provision has been made that the President of a village panchayat is elected by the persons whose names appear in the electoral roll for the panchayat village. The term of office of the President is 5 years. Vice-President shall be elected by the village panchayat from among its members.

Clauses 48 to 53. – The Chairman and the Vice-Chairman of a commune panchayat council shall be elected from among its members. Provision has been made that no President, Vice-President, Chairman, Vice-Chairman shall receive, or be paid from the panchayat or commune panchayat fund, any salary or other remuneration for the services rendered by him. Clauses 54 to 67. – These clauses deal with the power and duties of the executive authority and appointment of Commissioner for commune panchayats and their powers. Provision has also been made to regulate the conduct of business of the meeting of village panchayat and commune panchayat council. In addition to Appointments Committee and General Purposes Committee statutorily created, the commune panchayat council is empowered to appoint such other committees as may be necessary for the efficient performance of its duties and functions under the Bill when enacted.

Provision has been made that every village panchayat shall submit to the commune panchayat council concerned a report on its administration every year who, in turn submit a consolidated annual report on its administration and of all village panchayat under its jurisdiction to the Director.

Clauses 68 to 75. – These clauses contain provisions relating to establishment of village panchayat and commune panchayat council. The village panchayat and commune panchayat council are competent to create such posts of officers and servants, with the sanction of the Government, for efficient execution of its duties. The Government have, however, retained the power to make rules to regulate the qualifications, pay, allowance, discipline and conduct and other conditions of service, the method of recruitment and the authority competent to appoint such officers and servants of village panchayat and commune panchayat council.

Provision has also been made for the provincialisation of any class of officers or servants of commune panchayat council or village panchayat into a common service for the Union territory. The Director is empowered to transfer any officer or other employee of a village panchayat to any commune panchayat council or any other village panchayat.

Under clause 96 the protection and maintenance of any irrigation works etc., may be transferred to any village panchayat or commune panchayat council. Provision has also been made that the porambokes such as grazing grounds, threshing floors, etc., vested in the commune under the laws for the time being in force shall vest in the village panchayat.

Clauses 100 to 104. – These clauses deal with the prevention of diseases.

Clauses 105 to 123. – These clauses contain detailed provisions empowering the Commissioner, executive authority, village panchayat and commune panchayat council, as the case may be, to take precautionary measures in case of dangerous tanks, wells, holes, etc., and to control public markets, private markets, cartstands, slaughter-houses, trades, industries and factories. Provision has also been made for the numbering of building in all village panchayats.

Clauses 124 to 194. – These clauses deal with the taxation and finance.

In order to secure prompt payment of taxes, it is proposed to provide for the levy of interest, if the tax is not paid within 15 days from the date on which the tax is due subject, however, to the condition that the maximum rate of interest does not exceed 10 per cent per annum.

Provision has also been made enabling any person to appeal against any claim for taxes or other dues duly made before such authority as may be prescribed.

Sufficient powers have been given to the Director so that he can discharge his functions properly.

STATEMENT OF OBJECTS AND REASONS FOR ACT NO. 4 OF 1978.

In the context of the present thinking of the Government in favour of direct election of the Chairman of the Commune Panchayat Council as a part of the general policy to promote democratic process in the various levels of panchayat hierarchy, it is proposed to provide for the election of the Chairman directly through adult suffrage as is done in the case of President of a village panchayat. Other consequential amendments are also incorporated to given effect to the above proposal.

Besides, provision exists in the Puducherry Village and Commune Panchayats Act, 1973 for the supersession or dissolution of a commune panchayat council for certain grounds like incompetence, abuse of power or wilful neglect by the commune panchayat council. In the said Act, there is no provision to cover specifically the extraordinary circumstances when (i) the ordinary elections to commune panchayat council have been set aside by an order of a competent court or authority or (ii) the election of all the members of more than 2/3rd of the members of the commune panchayat council has been declared void, or (iii) the extended term of office of the commune panchayat council has expired or (iv) all the members or more than 2/3rd of the members of the commune panchayat council have resigned. Hence it is considered necessary to make provisions for the appointment of Special Officers in such cases.

This opportunity is taken to provide that a person convicted of an offence punishable under the Protection of Civil Rights Act, 1955 shall be disqualified from contesting elections to the commune panchayat council by enlarging the scope of section 22 of the said Act on the analogy of the provisions contained in section 21 of the Untouchability (Offences) Amendment and Miscellaneous Provisions Act, 1976 (Central Act 106 of 1976).

This amendment Bill seeks to achieve the above objects.

STATEMENT OF OBJECTS AND REASONS FOR ACT NO. 11 OF 1993

Oulgaret Commune Panachayat is a large area. Many satellite towns with residential and commercial buildings have sprung up. Many industries have been established in that area thus improving the status of the Commune Panchayat. The revenue of the Oulgaret Commune Panchayat has increased manifold. With people belonging to all walks of life settling in the area, the Commune has cosmopolitan status. Developmental activities are hampered since the provisions as available in the Municipalities Act are not available in the Commune Panchayat Act. Though the Commune Panchayat may have to forego some grants from Government specifically given only to Panchayats, the Commune Panchayat, if upgraded into a Municipality may gain more by enhanced powers and collection of additional taxes like House Tax. The development in Oulgaret area is so fast that the constitution of the Oulgaret Commune Panchayat as Municipality has become inevitable. There is also a demand from people's representatives to upgrade the Oulgaret Commune Panchayat into a Municipality. It is, therefore, advisable to upgrade the Oulgaret Commune Panchayat as Municipality.

For this purpose, Serial No. 1 under the Schedule-I to the Puducherry Village and Commune Panchayat Act, 1973, where the Oulgaret Commune Panachayat was equated to a Commune Panchayat has to be deleted. While notifying Oulgaret Commune as a Municipality, this deletion has also to be carried out by way of an amendment.

The Bill seeks to achieve the above objects.

STATEMENT OF OBJECTS AND REASONS FOR ACT NO.10 OF 2001

For the purpose of preventing personation of electors in the elections to local bodies it is proposed to introduced special procedure for preventing personation of electors by use of Identity Cards.

Technology has made very rapid strides thereby favourably affecting several fields of human activity and leading to betterment all round. It was felt that appropriate modern electronic processes should be deployed, side by side, with the existing conventional systems in the voting process. Suitable amendments were therefore made in the representation of the People Act, 1951 in order to facilitate use of electronic voting machines. The procedure relating to use of Identity Cards and electronic voting machines are proposed to be introduced in the elections to local bodies also.

In order to facilitate the use of Identity Cards and electronic voting machines in the elections to local bodies it is proposed to amend the provisions of the Puducherry Village and Commune panchayats Act, 1973 by inserting new sections 37-A and 37-B and by amending section 38 for the above purpose.

STATEMENT OF OBJECTS AND REASONS FOR ACT NO.10 OF 2002

At present, there are certain places in this Union territory which attract people during certain periods in the year as being places of pilgrimage/tourist resort. During these periods, the concerned Village Panchayats under whose jurisdiction such places of pilgrimage/tourist resort exist are hard pressed in so far as providing the requisite amenities and rendering services to meet the demands of the mass inflow of pilgrims/tourists. This apart, additional staff are required during such periods for providing such amenities /rendering services as it is not possible to cater to the needs of the pilgrims/tourists with the existing staff. The Village Panchayats are therefore facing a financial strain during such periods. With a view to augment funds for providing better amenities and rendering services to the pilgrims/tourists and also with a view to avoid a drain on the financial resources of the Commune Panchayats, it is proposed to levy a charge on every motor vehicle entering a place of pilgrimage/tourist resort in this Union territory as so notified as is being done in the neighbouring State of Tamil Nadu, by amending the Puducherry Village and Commuen Panchayats Act, 1973, suitably.

The Bill seeks to achieve the above objects.

STATEMENT OF OBJECTS AND REASONS FOR ACT NO.11 OF 2004

Section 156 of the Puducherry Village and Commune Panchayats Act, 1973 provides for composition and consolidated payment of tax payable in respect of entertainment covered under section 154. It is proposed to make applicable the aforesaid provision to the entertainment tax on cable television exhibition provided under section 154A of the said Act. It is therefore proposed to amend section 156 of the Act suitably for the said purpose.

Section 154 of the said Act provides for imposition of entertainment tax for admission to any entertainment at the rates the maximum and minimum whereof are specified in Schedule-VI thereof. At present the minimum rate of tax has been fixed at seven twentieths (35%) on the payment of admission inclusive of the amount of entertainment tax. However, the Puducherry Cinema Exhibitors Association had been requesting this Administration to reduce the rate of tax to one-fourth (25%) so as to bring it on par with the rate prevailing in the neighbouring State of Tamil Nadu. Since it has been proposed to reduce the tax as projected above, it has become necessary to amend Schedule-VI of the Act. For the aforesaid purposes, the Puducherry Village and Commune Panchayats (Amendment) Bill, 2004 is proposed to be enacted.

The Bill seeks to achieve the above objects.

STATEMENT OF OBJECTS AND REASONS FOR ACT NO.7 OF 2005

Section 48 (2) of the Puducherry Village and Commune Panchayats Act, 1973 provides for direct elections to the civic posts of Chairperson of Commune Panchayat whereas sub-clause (b) of clause (5) under Article 243-C of the Constitution prescribes that the Chairperson of Panchayat at the intermediate level or district level shall be elected by and from amongst, the elected members thereof (i.e. by indirect method). Therefore, in order to be consistent with the above-mentioned Constitutional provision, it is proposed to convert the existing method of direct election to the post of Chairperson of Commune Panchayat Council into indirect method.

Further, it is also proposed to get the Vice-Chairperson of the Commune Panchayat Council elected by the same method as proposed for the post of Chairperson of the Commune Panchayat Council, instead of getting elected by the elected body consisting of the members directly elected from the Commune Panchayat Wards and the directly elected Presidents of the Village Panchayats, comprised within the jurisdiction of the Commune Panchayat.

It is, therefore, proposed to amend sub-section (2) of section 48 of the Puducherry Village and Commune Panchayats Act, 1973 on the above lines.

The Bill seeks to achieve the above objects.

STATEMENT OF OBJECTS AND REASONS FOR ACT NO.2 OF 2007

In the Puducherry Village and Commune Panchayats Act, 1973, seven mandatory functions and ten discretionary functions of Village Panchayats and eleven mandatory functions of the Commune Panchayats have been prescribed under a separate Chapter viz., Chapter-III, while enacting the Act in 1973.

But, in the Constitution (73rd Amendment) Act, 1992, 29 subject matters, as listed in the Eleventh Schedule to the Constitution, have been prescribed as the functions of all the three tier panchayats.

Article 243G of the Constitution requires the State Legislature by law, to endow the panchayats with such powers and authority as may be necessary to enable them to function as institutions of self governance with regard to matters listed in the eleventh Schedule of the Constitution.

The following functions/subject matters, which find place in the Eleventh Schedule of the Constitution do not find place in the Puducherry Village and Commune Panchayats Act, 1973.-

- (i) Land improvement/implementation of land reforms, soil conservation.
- (ii) Minor forest produce.
- (iii) Small-scale industries including food processing industries.
- (iv) Non-conventional energy sources.
- (v) Poverty alleviation programme.
- (vi) Education, including primary and secondary schools.
- (vii) Technical training and vocational education.
- (viii) Welfare of weaker sections and in particular of the scheduled castes and the scheduled tribes.
- (ix) Public distribution system.

Further, the functions, which are already existing in the Puducherry Village and Commune Panchayats Act, 1973, are not in exact terms of the matters listed in the Eleventh Schedule to the Constitution but in terms of actual civic functions.

Therefore, it is considered necessary to incorporate the list of 29 subject matters, listed in the Eleventh Schedule to the Constitution, in the Puducherry Village and Commune Panchayats Act, 1973, under a separate Schedule, namely, Schedule-XIII, in accordance with the provisions contained in the Constitution (73rd Amendment) Act, 1992 and to provide for enabling the Government to entrust to a panchayat with such powers, authority, etc., as may be necessary to enable it to carry out its responsibilities conferred upon it including those in relation to the matters included in Schedule-XIII, by bringing necessary amendment to the Puducherry Village and Commune Panchayats Act, 1973.

The Bill seeks to achieve the above objectives.
